

*Advisory Council Report for December 2015 by ECOEA-R Kathleen Purdy*

The six house districts within the ECOEA area were filled by retirees in October. There was a glitch in communicating within the OEA Governmental Services to the appointees concerning the Reorganizational House District Committee locations. In one HD, OEA used the information from 2013. This needs to be corrected if we expect to continue advocating for retirees to remain involved on the House Screening Committees.

I attended the Canton ECOEA Representative Assembly and provided a printed report covering my retiree activities.

John Hoyes emailed a request about district activities including community involvement for the DVD. I submitted a broad selection of events within the last several years. In honor of Veterans Day, the Perry High School's Junior ROTC Students invited local vets and families to their program. It was held in Perry Twp (Stark County) on November 11<sup>th</sup>. Below is photo that I took of some of the brave military servicemen and women. My own son is actively serving in the US Army.

Plans are in place for our annual Holiday Happenin' on December 1<sup>st</sup> at the Pine Tree Barn, 4374 Shreve Road, Wooster, OH 44691. You are cordially invited. Feel free to contact me: [ecoearetired @yahoo.com](mailto:ecoearetired@yahoo.com) or website: [ecoea-r.ohea.org](http://ecoea-r.ohea.org).

Kathleen Purdy, East Central OEA-R District Representative (2011-2017) THANKS!
