REPUBLICAN

<p>ABORTION Ban or legal?</p>	<p>Legal. “Every woman should have the right to make decisions about her own body.” “This fight is about freedom.” With Biden, strengthened abortion pill access and abortion patient protections, overturned Trump Planned Parenthood federal funding ban. Would sign national abortion rights bill if Congress passed.</p>	<p>Ban. “After 50 years of failure, I was able to kill Roe v. Wade.” Did so by appointing three anti-abortion Supreme Court Justices. It was “a miracle.” States should decide for themselves, potentially monitoring women’s pregnancies and prosecuting women for getting abortions. Abortion is “really not that big of an issue.”</p>
<p>CLIMATE CHANGE Should climate change be a top priority?</p>	<p>Yes. We’re seeing the climate crisis “every day...in real time.” “We must do more.” Cast the deciding vote to commit \$369 billion to climate and clean energy, the biggest investment in US history. Supported \$1.2 trillion in infrastructure; includes reducing greenhouse gas emissions.</p>	<p>No. Climate change is a “hoax.” The world will “start getting cooler.” Withdrew from the Paris climate pact. Will expand coal and oil production. “I want to drill, baby, drill.” Asked oil and gas executives to donate \$1 billion so he could reverse Biden’s climate initiatives.</p>
<p>CRIMINAL JUSTICE How to ensure effectiveness and fairness in law enforcement?</p>	<p>Police are dedicated public servants. As a prosecutor increased felony convictions by one third. But “public safety requires community trust.” Has supported better training, banning choke holds, and prosecuting police misconduct.</p>	<p>Police are “under siege.” Cut back active federal oversight of excess force, though supported a database to track it. Admires Chinese approach of quick trials and a death penalty for drug dealers so there will be a “zero drug problem.”</p>
<p>EDUCATION Limit teaching about racism and gender identity?</p>	<p>No. In Florida “extremists... passed a law, ‘Don’t Say Gay,’ trying to instill fear in our teachers.” Now, “they want to replace history with lies,” teaching “that enslaved people benefited from slavery.” Children should be “taught the truth.”</p>	<p>Yes. Certify teachers who “embrace patriotic values.” Would “cut federal funding” for any school “pushing critical race theory, gender ideology.” Restricted diversity training for federal employees and contractors.</p>
<p>ELECTIONS Did Joe Biden win the 2020 Presidential election?</p>	<p>Yes. “The [election] results were certified by state after state and reaffirmed by court after court.” “On January 6, we all saw what our nation would look like if the forces who seek to dismantle our democracy are successful.”</p>	<p>No. Called the election a “Big Lie” and a “Massive Fraud” that would justify “termination” of parts of Constitution. Called those who stormed U.S. Capitol “unbelievable patriots.” Would pardon them fully.</p>
<p>ENVIRONMENT Loosen or tighten environmental regulations?</p>	<p>Tighten. Supports “environmental justice.” In CA prosecuted polluters. Biden admin issued more than 100 environmental regulations.</p>	<p>Loosen. Weakened or ended more than 125 environmental protections, including wetlands and wildlife. Will reverse Biden policies.</p>
<p>GUN LAWS Loosen or tighten gun regulations?</p>	<p>Tighten. “Every person deserves the freedom to live safe from gun violence.” Supported the bipartisan gun safety bill and required background checks for gun show & online sales.</p>	<p>Loosen. To NRA, “no one will lay a finger on your firearms.” Plans to roll back Biden gun restrictions. Reversed Obama-era background checks for those with mental illnesses.</p>
<p>HEALTHCARE Repeal or expand the Affordable Care Act (ACA), also known as Obamacare?</p>	<p>Expand. “Health care is a right, not a privilege.” Cast a tie-breaking Senate vote to expand ACA & lower Medicare drug prices, including a \$35 monthly insulin cost. Would link drug costs to costs that comparable wealthy nations pay.</p>	<p>Repeal. “Terminate.” “Obamacare is a catastrophe.” As President, promised to replace it with “something terrific,” but repeal failed in the Senate by one vote. Supported an unsuccessful lawsuit to overturn it.</p>

ISSUES	HARRIS (D)	TRUMP (R)
IMMIGRATION How to handle immigration? Support a path to citizenship for "DACA" participants brought to the US as children?	<u>Supports</u> "comprehensive immigration reform." <u>Backed</u> the bipartisan Senate border security bill. <u>Rejects</u> mass deportation of undocumented immigrants. "We are a nation of immigrants... let us all address [the issue] with the urgency and seriousness it requires." Supports pathways to citizenship for <u>DACA participants and undocumented spouses</u> of citizens.	Illegal immigrants are " <u>poisoning the blood</u> of our country." Will use the National Guard and local police, with possible detention camps, to deport <u>15 to 20 million</u> illegal immigrants. <u>Opposed</u> the bipartisan Senate immigration bill. <u>Tried</u> to end DACA; Supreme Court <u>overruled</u> . <u>Would</u> renew his Muslim ban and end automatic citizenship for everyone born in US.
ISRAEL/GAZA Response to Israel's invasion of Gaza following October Hamas attack?	"We need" a cease-fire & a two-state solution. "Israel has <u>a right</u> to defend itself." But " <u>too many innocent</u> Palestinians have been killed... Civilian suffering... [is] devastating." Palestinians and Israelis both " <u>are entitled to security</u> ."	Has <u>supported</u> Israeli action, "get the job done." Says Israel <u>releasing images</u> of bombed Gaza buildings loses "the PR war." Gaza protesters are " <u>raging lunatics</u> and Hamas sympathizers." <u>Would deport</u> student protesters.
LABOR Make it easier or harder for unions to organize?	Easier. " <u>Unions built</u> " the American middle class. "We are fighting to protect the <u>sacred right</u> to organize." Backs pro-union <u>laws</u> . <u>Walked UAW picket line</u> . Build " <u>an economy</u> where every person, not just the wealthy," can thrive.	Harder. <u>Made it harder</u> for unions to win representation and <u>organize</u> on an employer's property. <u>Restricted</u> federal employee collective bargaining. Striking Auto Workers were " <u>sold down the river</u> by their leadership."
LGBTQ RIGHTS Limit or expand LGBTQ rights?	Expand. In 2004, <u>officiated</u> some of the nation's first same-sex marriages. <u>Helped repeal</u> California's anti-gay marriage initiative. Biden administration <u>protected</u> LGBTQ medical patients from discrimination.	Limit. <u>Weakened</u> an Obama order protecting LGBTQ federal contractors from discrimination. <u>Banned transgender</u> military servicemembers and <u>ended</u> anti-discrimination protections for transgender patients.
MARIJUANA Ban or legal?	Legal. " <u>Nobody should</u> have to go to jail for smoking weed." <u>Legalize and regulate</u> . <u>Supports</u> Biden's easing federal prohibition.	Unclear. It <u>does</u> "significant damage." <u>Reversed</u> Obama rule to not prosecute in states where legal, but ultimately <u>didn't</u> prosecute.
MINIMUM WAGE Raise federal minimum from \$7.25 an hour?	Yes. <u>Supports</u> Congress raising the national minimum wage to <u>\$15</u> . Biden administration raised to <u>\$15</u> for federal contractors.	No. A \$15 minimum wage <u>would</u> "eliminate jobs." <u>Threatened</u> to veto. Questioned need for a federal minimum wage: let the <u>states decide</u> .
SOCIAL SECURITY Cut Social Security or raise retirement age to stabilize program?	No. <u>Would protect</u> and stabilize Social Security <u>by</u> making wealthier Americans pay into Social Security at the same rate as everyone else; they'd keep paying in above their <u>current</u> \$168,600/year income cap.	Mostly yes. There's " <u>a lot you can do</u> in... cutting." Also flags bad management. Proposed <u>\$35 billion cuts</u> in Social Security disability programs. But " <u>will never do anything</u> " to "hurt Social Security."
STUDENT FINANCIAL AID Support lowering interest on student loans and/or forgiving them?	Yes. <u>Supported</u> Biden forgiving \$144 billion for over 4 million borrowers, after the Supreme Court blocked the Biden-Harris <u>\$430 billion</u> forgiveness plan.	No. <u>Called</u> student loan forgiveness "unfair" to those not attending college. <u>Vetoed</u> forgiving loans of defrauded students. <u>Proposed cutting</u> support programs for student borrowers.
TAXES Raise or lower taxes on the wealthy and corporations?	Raise. <u>Voted against</u> Trump tax cuts, which included the <u>largest</u> corporate cut in US history. <u>Supported</u> increasing corporate tax rates. To boost teacher salaries, <u>proposed</u> raising estate taxes on the very wealthy.	Lower. His 2017 <u>tax cut</u> included the largest corporate cuts in US history and major tax cuts for the wealthy. <u>Would</u> extend them when they expire in 2025. <u>Raising</u> business taxes "will lead to the destruction of your jobs."
UKRAINE/RUSSIA Support defending Ukraine against Russian invasion?	Yes. "Regarding Putin's unprovoked, unjustified war against Ukraine... we are <u>committed</u> to... defend democratic values and stand up to dictators."	Mostly no. To end the war, will push Ukraine to <u>give up territory</u> to Russia. Russia <u>should</u> "do whatever the hell they want" to NATO countries that don't pay enough.
VOTING RULES Make voting harder or easier?	Easier. <u>Pass bills</u> to <u>protect voting rights</u> and make voting and registration easier. Biden administration <u>directed</u> federal agencies to help people register.	Harder. Has <u>long supported</u> stronger voter ID requirements. <u>Sued</u> to bar ballot drop boxes. Encouraged Republicans to vote early but said early ballots " <u>get lost</u> " or are "phony."
